VERIFIED PETITION

Respondent,

**TO THE SUPREME COURT OF THE STATE OF NEW YORK, COUNTY OF
DUTCHESS**

The petition of Luther Lopez respectfully show to this Court as follows:

1. Petitioner resides at 426 Main Street, Beacon, NY 12508
2. The respondent(s) are credit reporting agencies and/or third party entities.
3. I am respectfully asking the Court to issue a TRO against all the above named

Defendants, until this matter can be fully adjudicated. In addition, I am respectfully asking this court to set a hearing date, so that all the above named parties can bring or show proof of their alleged investigation into the Plaintiffs request to have a number of incorrect, improper and fraudulent items removed from his credit report or/and report.

The above requested actions are based on the following reasons:

- In 2017 the credit reporting agency, Equifax, had an enormous data breach, in which case the Petitioner was affected. (see exhibit A)
- On or about July 22, 2019 Equifax was sued in a class action by the FTC and the CFPB (case no. 1:17-md-2800 TWT) the case was settled for 575 Million. The Petitioner did not participate in class action lawsuit, instead the Petitioner filed his

own separate civil lawsuit against the Defendant on or about June 1, 2024 (case no. 1:24-cv-03681-LTS) The case was adjudicated on or about June 14, 2024.

- The Petitioner has conveyed on several occasions to all the above Respondent(s) via the CFPB that he has been the victim of identity theft, identity fraud, unauthorized charges and fraud. The Petitioner has filed several disputes with all the above named respondents.
- All the above named Respondents have alleged that they conducted investigations into each and every dispute filed by the Petitioner and the results were accurate and verified.
- For all the above named Respondents to engage in a proper and thorough investigation into each and every disputed item would take months if not several years, therefore the respondents, simply put, are lying. Therefore, the petitioner is now moving this issue to the courts under oath now.
- In addition, Experian had a data breach also in or around in 2022 or prior, in which case they settled for 22.5 million for reporting inaccurate information (see attached exhibit b) Experian is still engaging in such activities.
- Transunion also had a data breach in or around 2021 in which case they settled for 15 million with the FTC and the CFPB. (see attached exhibit c)

4. Attached are copies of all relevant documents.

5. A prior application has not been made for the relief now requested.

WHEREFORE, the Petitioner respectfully request that this Court grants the following relief:

- TRO for all the above named Respondents to remove all the disputed items originally contested until this matter can be properly adjudicated.
- For all the above named Respondents to provide a detailed explanation on the tangible and substantive proof they received and relied upon to finalize a determination of verified and accurate.
- The names, addresses and contact information of the individuals all the above named Respondents spoke to in order for all the above named Respondents to reach the determination that the information was verified and accurate.

- Exhibit D-1 and D-2 shows the damage that occurred from chex systems negligence and inaccurate reporting. The Petitioner was denied membership in a credit union
- Exhibit E-1 and E-2 details the disputed items that experian failed to properly reinvestigate and remove on or about April 25th, 2024 (in addition, the Petitioner filed complaints with the CFPB prior to April and after April)

SUPPLEMENTAL LEGAL ARGUMENTS

- 15 U.S.C. 1681 (e) (b) states the following: *“whenever a consumer reporting agency prepares a consumer report it shall follow reasonable procedures to assure maximum possible accuracy of the information concerning the individual about whom the report relates”* (Greenwood vs TransUnion, LLC No. C19-3039-LTS August 10, 2021)

- 15 U.S.C. 1681 (i) states the following: "if the completeness or accuracy of any item of information contained in a consumer's file at a consumer reporting agency is disputed by the consumer and the consumer notifies the agency directly or indirectly through a reseller, of such dispute the agency shall, free of charge, conduct a reasonable reinvestigation to determine whether the disputed information is inaccurate and record the current status of the disputed information or delete the item from the file in accordance with paragraph (5) before the end of the 30 day period beginning on the date which the agency receives the notice of the dispute from the consumer or reseller" ((Greenwood vs TransUnion, LLC No. C19-3039-LTS August 10, 2021))
- In the Greenwood vs TransUnion decision, the court stated "a consumer must dispute an item of information reported in his or her file to trigger 1681 (i), in which case the petitioner has done on several occasions.
- Section 611 (a) mandates CRA duty to reinvestigate any disputed items. The petitioners position is, the respondents (all the above named respondents) knowingly, willfully and intentionally failed to reinvestigate or/and properly reinvestigate the petitioners claim or//and dispute.
